MOTION TO EXTEND TIME

Appellant/Respondent, through counsel, moves for an extension of time within which to file and serve its Initial Brief and Designation of Matter to be Included in the Record on Appeal on the following grounds.

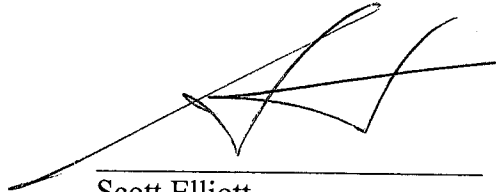

The Appellant/Respondent appeals Order No. 2012-884, dated November 15, 2012, and Order No. 2013-5, dated February 14, 2013, of the South Carolina Public Service Commission affecting the rights of the parties under the Base Load Review Act, S.C. Code Ann. §§58-33-210, *et seq.* The transcript of record is extensive and the appeal raises novel questions of law to be

resolved by this Court. By order of the Court, dated June 3, 2013, the Appellant/Respondent's Initial Brief and Designation of Matter to be Included in the Record on Appeal are due July 12, 2013.

Given the size of the record, the significance of the matter before this Court, and the press of Appellant/Respondent's counsel's practice, the undersigned hereby respectfully requests an additional 20-day enlargement of time within which to file and serve Appellant/Respondent's Initial Brief and Designation of Matter to be Included in the Record on Appeal.

The undersigned has consulted all counsel for all parties of record and all have consented to the within motion. (See copies attached).

Respectfully submitted,
